

Tell Congress to Take the Pledge to Strengthen Social Security

Urge your union members to meet with members of Congress in their home districts during Congressional recesses, hold rallies and town hall meetings. Tell them to ask their representative and senators to commit to keeping America's retirement secure by signing the Pledge to Strengthen Social Security:

I pledge to the people of my district state community and to the American people that I will work to strengthen retirement security, including Social Security.

I will **oppose** Social Security privatization proposals that would:

- 1** Require cuts in guaranteed benefits to pay for private accounts.
- 2** Weaken the system by diverting money from the Social Security Trust Fund to pay for private accounts.
- 3** Increase the federal deficit to pay for private accounts.
- 4** Increase the retirement age.
