The AFL-CIO sends greetings to our Muslim union members, their families and the entire Muslim community as Muslims begin their holy month of Ramadan.

Ramadan Mubarak…Blessed Ramadan

This year, Muslims from all over the world will observe the month of Ramadan from March 22 to April 21. During this period of fasting, Muslims will abstain from eating and drinking between dawn and sunset.

We know that for working people and our union members fasting can be additionally challenging to do while working, and we understand that our members and workers go through this physical challenge to gain spiritual strength. We hope this month will be a time of spiritual blessings for you and your families.

The AFL-CIO strongly supports the Muslim community in the practicing of their faith without prejudice or discrimination, and is committed to ensuring our country’s founding principles of respect for persons of all faiths.

During Ramadan, pray for workers all over the world who are struggling for dignity and justice.

Eid Mubarak…Happy Eid

The AFL-CIO is a federation of 60 national and international labor unions that represent 12.5 million working people.
