# KNOW YOUR RIGHTS

and be prepared when interacting with law  
enforcement, including immigration agents.

- 1** If officers ask you questions, you have the right to say: **“I choose to remain silent.”**
- 2** You have the right to consult with an attorney before answering any questions or signing any documents.
- 3** If you have valid U.S. immigration documents, carry them with you. Never carry false documents or lie about your immigration status.
- 4** Unless you consent, a law enforcement officer requires a proper warrant from a court signed by a judge to enter your home. You have the right to deny them consent. A warrant from DHS does not give officers the right to enter your home against your will.

## EXERCISE YOUR RIGHTS!

- If you are stopped by law enforcement, you may hand this card to the officer and remain silent.
- If law enforcement knocks on your door, you can slide this card under the door and remain silent until the officer shows you a warrant from a court signed by a judge—immigration warrants from DHS do not count.

DETACH HERE

I am exercising my right to remain silent, my right to refuse to answer your questions and my right to refuse to sign anything, until I consult an attorney.

Unless you have a signed judicial warrant, I do NOT consent to your search of my home, vehicle or property. If I am detained, I request to contact this attorney/organization immediately.
